Come on, you say
Come play (Come playÃ¢â€šâ€™s!)

Tonight I've been waiting; you may find the day
You'll be safe; we won't sell ourselves today

Promise you will stay
Come over me
Come play
Tonight I've been waiting; it'll be a brand new day
Promise you will stay
You'll be safe; we won't sell our hearts today
For a change
AhhhhhhhhhhÃ¢â€šâ€™s!
You might fall in love with someone else today

UhhhhhhhhhhÃ¢â€šâ€™s!
AhhhhhhhhhhÃ¢â€šâ€™s!
But I will always love you anywayÃ¢â€šâ€™s!
UhhhhhhhhhhÃ¢â€šâ€™s!
You might fall in love with someone else today
But I will always love you, anywayÃ¢â€šâ€™s!
You might fall in love with someone else today
UhhhhhhhhhhÃ¢â€šâ€™s!
But I will always love you, anywayÃ¢â€šâ€™s!

* laugh *
You might fall in love with someone else today
But I will always love you, anyway..
You might fall in love with someone else today
AhhhhhhhhhhÃ¢â€šâ€™s!
But I will always love you, anywayÃ¢â€šâ€™s!
But I will always love you, anyway
You might fall in love with someone else today

But I will always love you, anywayÃ¢â€šâ€™s!
You might fall in love with someone else today
You might fall in love with someone else today
But I will always love you, anywayÃ¢â€šâ€™s!
