She's needing someone...

Â

I listen to you breathe

Breath from empty lungs

You're buzzing me in my ear

And chewing on my tongue

Â

Tangerines are frail

I fear this lust for a girl

You're lying on your back

Asking me to shut up

Â

How much can we take

And still be intact?

It's all over, it's too late

We have to face the fact

How much can we take

And still be intact?

It's all over, it's too late

We have to face the fact

How much can we take

And still be intact?

It's all over, it's too late

We have to face the fact

How much can we take

And still be intact?

It's all over, it's too late

We have to...
