[HOOK:]

Oh no baby, there ya go...go, think that I don't
know...know
(?Bout all the lies and the games that you try to run on
me)
You tried to play me, but you cannot fade me, cuz I'm
not the same ?G?
(That you and your little girlfriends back home think
about me)

[VERSE1:]

Now I've been thinkin' about what you said to me
On how lately your needin' more privacy
But frankly girl, that ain't makin' no sense to me
Because you told me you thought we were meant to be

[B-SECTION:]

Oh no, you always got to go...go, walkin' out the
door...door
(You turned your back on me for the last time baby)
I got this feelin', your words are too deceivin', sorry
but I'm leavin'
(I'm gone...I'm gone...I'm gone!)

[HOOK 2X]

[VERSE 2:]

I got no time for your sorry apologies (no-no)
I got no time for them secrets your kept from me (uh-
uh)
I got no time for your low cell battery
I seen a picture of him, can't compare to me!

[B-SECTION 2:]

Oh no, now I got to go...go, I'm walkin' out the
door...door
(I turned my back on you for the last time baby)
I got this feelin', your words are too deceivin', sorry
but I'm leavin'
(I'm gone...I'm gone...I'm gone!)

[HOOK 2X]

[RAP:]

I've been thinkin' 'bout times...rewind
Back to the times you were mine
Hey yo I miss them days no doubt cuz...
I was the only one on your mind
But now...things changed...they're not...the same
Who's to blame, hey yo I don't know
But your caller I.D. displayin' his name
And you're lookin' through my cell phone (uh-uh)
Lookin' through my 2way (uh-uh)
Must have a guilty conscious, ya better get it off your
chest
Because I'm sick of this nonsense
One time and it's shame on you, two times then it's
shame on me
It really ain't no thang to me, no pain to me
Matter of fact, you can put that blame on me! (uh)
