Fireworks and sparks when the fever starts in your eyes  
tonight

Explosions of heat and electricity in the fire  
Iâ'm not bound to anything youâ've said to me  
I canâ't ignore the way you adore my mystery

And Iâ'm runninâ' runninâ' runninâ' home just to see  
you alone  
And Iâ'm falling deeper into love faster than you know

Believe it when I sayâ...

Say it say it over again  
Everythingâ's better off this way  
And when you think everythingâ's lost  
You got me

Tonight I just want you to see  
I know Iâ've never felt this way  
And when you think everythingâ's lost  
You got me

Static and sleep in between bedroom sheets in your  
arms tonight  
Keeps us alive when the sparks start to die in the  
bedroom light  
I canâ't stop this even if you want me to  
If you could only see what I see then youâ'll want me  
too

And Iâ'm runninâ' runninâ' runninâ' home just to see  
you alone  
And Iâ'm falling deeper into love faster than you know

Believe it when I sayâ...

Say it say it over again  
Everythingâ's better off this way  
And when you think everythingâ's lost  
You got me

Say it say it over again

Everything's better off this way  
And when you think everything's lost  
You got me
