Wait a minute now

Get it get it now

Wait a minute now

Get it get it now

Check one, check two, check three

Think about it, honey, ??? half of me

So I made shorty go and shake her a** for me

Now she wonder why I be takin' half her fee

And she lookin' like, "This is how it has to be?"

So I guess I replied with the mac in me

And told her, "Unless you want to see a catastrophe,

You better get up on that pole with that tassel, Dee."

And make them ?????

It's no different than the O when you catchin' feelins

Or the dolla ????? when you stuck in Queens

So I made her change her clothes for the next two scenes

Now she dancin' with the stars like Master P

And I almost had a ***** like Cassidy

Did you know that she had the audacity

To let the next man ??? her tassel ???

Your girl, your girl keep callin' me

Your girl, your girl keep callin' me

That's 'cuz your girl, your girl keep callin' me

And she better have my money

Cuz' your girl, your girl keep callin' me

Your girl, your girl keep callin' me

That's 'cuz your girl, your girl keep callin' me

And she better have my money

Wait a minute now

Get it get it now

Wait a minute now

Get it get it now

Wait a minute now

Get it get it now

I guess I'm here to tell you how the party got set off

Grindin' on the wall and I had to wipe the sweat off

Next thing ya know a couple guns got let off

Everybody buggin' and they get away spread off

They said it was the Bloods so they took all they red off

And all the fellas got the dice game called the ghetto

'Cuz like the basketball team that gets to cut the net off

Niggas steps in that's exactly what they fed off

'Til they found out that they names got read off

'Cuz the police had to take ham stead off

Didn't matter though 'cuz the lawyers got Ted off

There's too much evidence, couldn't get Fred off

But once he found out that his girl ***** Ed off

He told ????? Ed'll take his head off

But that ain't matter to him 'cuz he was gettin' bled off

Humpin' at her crib until he drove the Corvette off

And when she came by saw the key from the ghetto

That's when they realized she had ??? the dread off

???, the dread, Ed, and Fred

All looked at each other in astonishment said

Your girl, your girl keep callin' me

Your girl, your girl keep callin' me

That's 'cuz your girl, your girl keep callin' me

And she better have my money

Cuz' your girl, your girl keep callin' me

Your girl, your girl keep callin' me

That's 'cuz your girl, your girl keep callin' me

And she better have my money

Wait a minute now

Get it get it now

Wait a minute now

Get it get it now

Wait a minute now

Get it get it now

Wait a minute now

Get it get it now

Wait a minute now

Get it get it now

Wait a minute now

Get it get it now

Your girl, your girl keep callin' me

Your girl, your girl keep callin' me

That's 'cuz your girl, your girl keep callin' me

And she better have my money

Cuz' your girl, your girl keep callin' me

Your girl, your girl keep callin' me

That's 'cuz your girl, your girl keep callin' me

And she better have my money
