of our lifetime

Remember

Let it all out

rock the house down

paintin this town

Forever

Party non-stop

get till we drop

come out on top

Whatever

jump into it

we can do it

make this night to

Remember

Britney:

Your not all that, you shouldnt have one

Youre such a loser wearing my crown

Starr:

Just face the facts and get over yourself

This is my night dont bring me down

Langston:

You just dont get it, you cant coexist

but just for tonight,whocare, move on let

Chorus

Britney:

Everyone knows its all about me

Your such a poser, your name wont last

Starr:

You dont matter, dont matter what you say

Step aside your in my path

Langston:

There will never be a time you both agree

why not take a break, enjoy the party

Chorus

Britney:

Just because the stoplights on you

and your little dreams come true

You think your hot, when your so not

Just give up your getting nowhere

I'm it and that just it
