"To Breathe In A Casket"

Eyes opened up within the moist and dark
Trapped inside the measures of a coffin
Horrificed awakening, blank fears embrace me
Oh... beyond...
...beyond these walls there lies infinity...
Asphyxiation is imminent due to the measures
Of this confinement,
Blind hits against the coffin walls,
Blank fears control me
To breathe in a casket - six feet below
To breathe in a casket - below

Buried deep beneath the earth
Beneath the earth
Blank fears embrace me
Embrace me
Buried deep six feet below
Six feet below
Blank fears control me
Control me
Breathing inside a casket
