{{{yea...its been so long...I find my self still thinking
about you...do you ever think about me?...Check this out
girl}}}

[VERSE 1:]

All those nights, that we kissed
Are the nights that I miss
Holding hands, as your man
For sure...

We were young, but secure
What we had was so pure
Innocence, every since
We spoke...

[B-SECTION:]

Why do we fall in love, when love will only tear us
apart?
Back then the world was ours, everything was so
right...(but we were...)

[CHORUS:]

Kissing with our eyes closed so tight
So young, and feeling so right
Never thought that we could do wrong (ohh we were...)
Kissing with our eyes closed so tight
So young, and feeling so right
I can't believe that those days are gone

[VERSE 2:]

So much pride, as my girl
Thought I showed you the world
Memories, you and me
So real...
Gave my heart, and my soul
Made you sunshine from cold
All those days, far away
From here...

[B-SECTION]

[CHORUS]

[BRIDGE:]

We danced so close, we held on tight

I never knew that love could feel so right
We danced so slow, we danced all night
Assuming that tomorrow would be bright
We kissed goodnight, you walked on by
The vision of your shadow caught my eye
My life stood still, you went inside
I never got to say my last goodbye...say goodbye...!

[CHORUS (2X)]

((I still can't believe it..after all this time..Im still missing
you...damn and some things will never change)))
