VERSE ONE

Right now, here we are
And here I'll stay
For as long as you say
I'll never go, don't you know
I'll be yours for always

And I don't care what it takes to make you
Understand I'll never leave you (that's right)
Ain't I don't wanna be standing here
On my own without you (I can't live without you)

CHORUS

Because I'm nowhere if I'm not with you
And I don't care what it takes to prove
There is no way I can stand to lose you now
Because I'm nowhere without you

VERSE TWO

Oh babe, if you should leave
Then you'd see
How my heart was torn in two
And then you'd know
Just how far I'd go
Girl, to get back to you
And I don't care what it takes to give you
Everything I ever meant to
And I don't wanna be standing here
On my own without you (I can't live without you girl)

CHORUS TWICE

BRIDGE

Now I don't even know how I got here
All I know is that I just want to stay right here
And every single day you're right here
Is another chance, is another way
Baby to stay with you forever

There is no way, there is no way
There is no way, there is no way I can lose you now
