The word is about, there's something evolving,  
whatever may come, the world keeps revolving...

They say the next big thing is here,  
that the revolution's near,  
But to me it seems quite clear  
that it's all just a little bit of history repeating.

The newspapers shout a new style is growing,  
but it don't know if it's coming or going,  
there is fashion, there is fad  
some is good, some is bad  
and the joke rather sad,  
that it's all just a little bit of History repeating.

... and I've seen it before  
... and I'll see it again  
... yes I've seen it before  
... just little bits of history repeating

Some people don't dance, if they don't know who's singing,  
why ask your head, it's your hips that are swinging  
Life's for us to enjoy  
woman, man, girl and boy,

feel the pain, feel the joy

aside set the little bits of history repeating

... just little bits of history repeating

... and Iâve seen it before

... and Iâl see it again

... yes Iâve seen it before

... just little bits of history repeating
