Verse A:

I look up to the stars
And I see your face above
If it's my imagination
Then it's the power of love
I'm still thinking about you
Every minute of the day
If I had a wish to make
It was for you to stay
Can you hear me

Chorus:

Oh, oh, oh, oh, oh
I miss you though it's been a year
No, no, no, no, no, no
I don't want to cry

Verse B:

If they build a stairway to heaven
I'll be the first one to climb
If they let me in
I'll touch you one more time
If you have a garden there
I'll water it with my tears
But before I say goodbye
I'll sing so you can hear
Can you hear me

Chorus:

Oh, oh, oh, oh, oh
I miss you though it's been a year
No, no, no, no, no, no
I don't want to cry

C part:

Can you hear me
Can you hear me
Can you hear me
Can you hear me
I'm calling

Chorus:
Oh, oh, oh, oh, oh
I miss you though it's been a year
No, no, no, no, no, no
I don't want to cry
I don't want to cry
I don't want
I don't want to cry
