Verse A:

It seems like this world is falling apart
Oh no, oh no, oh no
Say a prayer for it
We lack love, we're short of forgiveness
Oh no, oh no, oh no
Say a prayer for us

Chorus:

I know, I know, I know
Oh GOD bring down some love on us
I know you know
We are your children
I know, I know, I know
Bring down some light on us
I know you know
We are your children

Verse B:

We chase happiness
But running away from ourselves Let us stop and figure
out life
In our fantasies
We're full of grace
Oh lord, why don't you let us stop the race

Chorus:

I know, I know, I know
Oh GOD bring down some love on us
I know you know
We are your children
I know, I know, I know
Bring down some light on us
I know you know
We are your children

C Part:

We have just this planet
But there's a million stars
We keep on heading towards tomorrow
'Cause we are believers we are believers

Chorus:

I know, I know, I know

Oh GOD bring down some love on us

I know you know

We are your children

I know, I know, I know

Bring down some light on us

I know you know

We are your children
