Verse A:

Something in this night tonight
Makes me see the monster
I've tries to fight my thoughts away
But they've keep coming one after another
I'm kind of scared to find out
That the monster is in me
And I'm screaming in the dark
Set me free
There was a time in my life
When I was afraid to be me
Now that I think about it
I was too blind to see
So many times I've tried
To read the writing on the wall
When I came close enough
I've been starting to fall

Chorus:

Been starting to fall, losing control
Sucked in to the hole
Someone get me out of here
Me and my fears
Someone

Verse B:

I thought I heard a noise
I thought I saw a halo
It was only the moon
It came to light up all my fears
Tried to say his name out loud
But then I start to whisper
What might happens
If he hears

Chorus:

Been starting to fall, losing control
Sucked in to the hole
Someone get me out of here
Me and my fears
Someone

C Part:

Outta here, outta here

Outta here, outta here

Outta here, outta here

Outta here, outta here

Chorus:

Been starting to fall, losing control

Sucked in to the hole

Someone get me out of here

Me and my fears

Someone
