"Alive"

We drink our wine
We take our pills
Talk about everything
Talk about being
Alive

Your eyes are shedding me a tear
I do not comfort you 'cause I fear
You're gonna think that I am really here
But I am by her side smiling
Alive

Drop your act
Let it go
And fuck me
It's OK all the others
Already did it
So fuck me
Fuck me
Alive

We drink our wine
Talk about getting high
I try not to smile
Myself into this world

You ask me questions
How I feel
I answer you properly
I feel alright
Alive

(I can see the way that you
Are looking at me
Alive
Alive)

Drop your act
Let it go
And fuck me
It's OK all the others

Already did it
So fuck me
Fuck me
Alive

I don't need your companionship
Sailing much further on this trip
Breathing air
You don't know exist
Feeling feelings I cannot resist
Alive
