"Apple"

Take a bite
From my apple

Take the train
To Bermuda

Take a night
Shiny light

Take a vein
Cover insane

Have a bite
From the tree

Have a sec.
left in hand

Have a troll
Ready made

Have a jet
Board the deck

Have a stroll
No control

Imagine you're an apple
Take a bite
Beat the limitzapper
Take a night
See with my eyes
As I apologize
Texture in the skies
