" Okay "

(Verse one) Softly like if i play piano in the dark..That's
outcast i'm an outcast (Yup)
In this world it's dim and light full of darkness. (Yahhh
)
How a man can kill his wife and leave her heartless. (Yeah)

My god it's not a good place in this world to have a kid
more to less raise. (Raise)
Can't play in the street because of gun blaze. (Blaze)
No god in the schools let us pray.

Lord show us how to make change first the man in the
mirror gotta make a change. (Yeah)
But the people in that mirror aint right
Because everybody want a thug life (Dog)
live the thug life. (Yeah)

Pants sagging to the ground all I know is god helped
me up hold me down
Because all i know is this and all i know is the answer is
a nickname (V. I. C)
I'm victorious to christ man

(Chours) Just to make it everyday we pray
(All i know in this world is to live by faith)

Cause i'm tired of trying to do it my way
(All i know in this world is to live by faith)

So imma try to find a good way
(All i know in this world is to live by faith)

Cause i can still breath so now I see
(All i know is god you blessed me)

(Verse two)
Life is the substance of things i say.
The evidince things so fourth to certain dreams.

I believe god with all my heart (Heart)
That's why i feel bad when i'm doing wrong.
That's why i feel good when i make the mark.

That's the proof of my godless sensitivity
Because i know i don't walk alone the lord is with me
So whatever you desire home disbelief
And he'll turn with desire in to your dreams

Aint no one we can depend on we switch by day. (Yeah)
