Somewhere far along this road he lost his soul

To a woman so heartless
How could you be so heartless?
How could you be so heartless?

(Kanye west/ 2nd verse)
How could be so Dr. Evil?
You're bringin' out a side of me that I don't know
I decided we wasn't goin' speak so
Why we up 3 a.m. on the phone?

Why does she be so mad at me for?
Homie, I don't know, she's hot and cold
I won't stop, won't mess my groove up
'Cause I already know how this thing go

You run and tell your friends that you're leavin' me
They say that they don't see what you see in me
You wait a couple months then you gon' see
You'll never find nobody better than me

(chorus)
In the night I hear 'em talk, the coldest story ever told
Somewhere far along this road he lost his soul
To a woman so heartless
How could you be so heartless?
How could you be so heartless?

(K.West/3rd verse)
Talkin', talkin', talkin' talk
Baby let's just knock it off
They don't know what we been through
They don't know 'bout me and you

So I got somethin' new to see
And you just gon' keep hatin' me
And we just gon' be enemies

I know you can't believe
I could just leave it wrong
And you can't make it right
I'm gon' take off tonight
Into the night

(chorus)
In the night I hear 'em talk, the coldest story ever told
Somewhere far along this road he lost his soul
To a woman so heartless
How could you be so heartless?
How could you be so heartless?
