All the shawties in the club, let me see you just  
Back it up, drop it down, let me see you just  
Get low, scrub the ground, let me see you just  
Push it up, push it up, let me see you just

Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah

Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah

Ay big girl, make 'em back it up, yeah, make 'em back  
it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up

I got 'em shaking their boobies like congos  
Man, I'm shaking the city like quakes  
The haters blue in the face like gonzo  
'Cause I'm raking in cake, so let's bake

I'm taking the game, the game's mine  
Y'all witness a change, it's my time  
Yeah, I'm new to the game but y'all might  
Wanna save ya whack raps, daylight saving time

I could dance homie, I don't two-step  
Y'all looking at something like a true player  
A girl told me that a man that could dance  
Might could possibly get down with the tool in his pants

Now all my ladies let me see you vibrate  
And when it's over you ain't gon' need ya  
'Cause I'm a pro, make ya bend ya back low

Then just pound it real fast just like percolator

Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah

Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah

Ay big girl, make 'em back it up, yeah, make 'em back  
it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up

Girl wobble it and I'ma gobble it  
I see you moving your head to head bobbling  
We can cradle the bed, I'm straight rocking it  
The girls say my head like the head of a rocket ship

Goddamn, I'm so explicit  
But I can't help it, my flow ridiculous  
Boy got a gift like it gotta be Christmas  
Swag don't miss like he gotta be gifted

The girls brought cameras and they want pictures  
And they gon' frame 'em to see dat  
Led 'em to the bed while I'm sayin' my scriptures  
'Cause I leave ya holy like ya pray in the temple

Want beat? I move with the lead of a pencil  
And mine won't miss you, goodnight kiss you  
Take a band back 'cause you got pistols  
And I don't think bounty pickin' up these issues

Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah  
Wobble baby, wobble baby, wobble baby, wobble, yeah

Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah  
Get in there, yeah, yeah

Ay big girl, make 'em back it up, yeah, make 'em back  
it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up

All the shawties in the club, let me see you just  
Back it up, drop it down, let me see you just  
Get low, scrub the ground, let me see you just  
Push it up, push it up, let me see you just

Wobble, wobble, shake, shake it, shake it, just give it  
here  
Wobble, wobble, just push it, push it, just give it here  
Show me whatcha got, show me whatcha got, just give  
it here  
Show me whatcha got, show me whatcha got

it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up  
Ay big girl, make 'em back it up, yeah, make 'em back  
it up
