Don't be a girl for all their kisses  
For all their kisses taste so sweet  
Don't be a girl for all their flowers  
All their flowers fade when the day comes  
And in your eyes, I've seen it rain  
Don't be a girl, not for me  
And on your face, I've seen their names  
Don't be a girl, not for me  
Don't be a girl for all their money  
For all their money comes so cheap  
Don't be a girl for all they promise  
All their promises come so easy  
And in your eyes, I've seen it rain  
Don't be a girl, not for me  
And on your face, I've seen their names  
Don't be a girl, not for me  
Don't be a girl for all their roses  
All their roses tell me they want you  
Don't be a girl for all their wishes  
For all their wishes don't come true  
And in your eyes, I've seen it rain

Don't be a girl, don't complain

And on your face, I see their names

Don't be a girl, not for me

And in your eyes, I've seen it rain

Don't be a girl, not for me

And on your face, I see their names

Don't be a girl, don't complain, not for me
