Yeah I fell in love  
Like all good dreamers do  
Finally in anger  
I gave it all to you  
I never shouted it  
Like we do in school  
Knee-jerk negativity  
Just never got me through  
And Ma she said so carefully  
"You don't get a vote  
This is not a five and ten  
This is not a joke", she said  
"It's only you and only I  
Bang bang, bye bye"  
Now I got a love  
To lose myself inside  
I don't need to find a face  
That I can hide behind  
I never shouted it  
Like we do in school  
Bleed your negativity

Just never got me through  
But Ma she said so carefully  
"You don't get a vote  
This is not a five and ten  
This is not a joke", she said  
"It's only you and only I  
Bang bang, bye bye"  
Lose yourself, lose yourself  
Lose yourself, lose yourself
