This is my shirt, this is yours

And this is called a dream

It must be the soap you use

And mine is called So Kleen

It was so well advertised

All day on Channel Nine

This is white and this is blue

And put it on the line

Listen to this listen to this

Listen to this listen to this

Listen to this listen to this

Listen to this listen to this

I live in the factory

And we are all the same

I live in the family

And all the traffic screams

We were so well advertised

All day on Channel Nine

We live in the soap commercial

We are all a lie

Listen to this listen to this

Listen to this listen to this

Listen to this listen to this

Listen to this listen to this

Channel Nine

Soap commercial

Soap commercial

Soap commercial

Soap commercial

Soap commercial
