"Yes I Do"

We are both so second hand

We've been around

It really doesn't matter

Does it anyway today?

All our lies will find us out

When we are dreaming

Really doesn't matter

Does it anyway today?

Oh, when yeah, I want you

Oh, when yes, I do

Oh, when yeah, I want you

Oh, when yes, I do

You're here now

She's now and then but anyway

It really doesn't matter

Does it anyway today?

You and you're beside me

And my medicine

It really doesn't matter

Does it anyway today?

Oh, when yeah

We want you

Oh, when yes, we do

Oh, when yeah

We want you

Oh, when yes, we do

Oh, when yeah

I want you

Oh, when yes, I do

Oh, when yeah

We want you

Oh, when yeah, we do
