Me with a machete  
Going at the chinaberry tree  
All the key players are watching me  
Through their simian groove thing

Sweat slinging  
Blood slickening  
Life ever-loosening grill

Chinaberry tree  
Chinaberry tree  
Chinaberry tree  
The biggest chinaberry tree  
That I've ever seen

Sawdust in the air  
And on the ground everywhere  
Throwing myself at the cut  
With a force heretofore unknown to me

Chinaberry tree  
Chinaberry tree  
Chinaberry tree

Chinaberry tree  
Chinaberry tree  
Chinaberry tree  
Neatest chinaberry tree  
That has ever been
