Well, we blew past the army motorcade
Abnormal load haulage
And the gravity of the situation
Came on us like a bit of new knowledge

The bubbliest bubble bath
Broke down on the bank
The gravity of the situation
Is why our old thought bubbles sank

Humble and gracious
The gravity of the situation
A humble and gracious
The gravity of the situation

Humble and gracious
The gravity of the situation
Humble and gracious
The gravity of the situation
The gravity of the situation

Well, a fat, hungry English crow
Picking at a carcass
The gravity of the situation
Is hard to focus and harness

Well, we met Bill Lowery
At the Queen's Hall
The gravity of the situation
Became apparent to us all

Humble and gracious
The gravity of the situation
A humble and gracious
The gravity of the situation

Humble and gracious
The gravity of the situation
Humble and gracious
The gravity of the situation
The gravity of the situation
