Something tells me that you and I  
We can reach the sky  
We're heading straight for the top  
I remember when this began  
Hoping that we can  
Love out the days  
And we're on our way

[Chorus]

Ain't no tellin' how far (echoed)  
Can't believe where we are right now (echoed)  
Being with you today (ah ah...)  
Means more than yesterday (ah ah ah)  
Ain't no lettin' it end (echoed)  
Baby you can depend on me  
All that I need you are (need you are)  
No tellin' how far (echoed)  
Love can take us now (echoed)

We've been looking so long  
To find love of the kind  
Deeper and truer each day  
Every touch is just like the first  
This heart of mine will burst (echoed)  
So full of you  
Too good but true

[Chorus]

(Ain't no tellin' how far) Ain't no tellin'  
(Can't believe where we are right now) I can't believe it  
Being with you today (ah...)  
Means more than yesterday (ah ah ah)  
(Ain't no lettin' it end) Ain't no lettin' it end now  
You can depend on me  
All that I need you are (need you are)  
No tellin' how far (echoed)  
Love can take us now

Take it!

[Chorus]

Ooooooh!  
(Ain't no tellin' how far) Ain't no tellin'  
(Can't believe where we are right now) I can't believe it  
Being with you today (ah...)  
Means more than yesterday (ah ah ah)  
(Ain't no lettin' it end) Ain't no lettin' it end  
Baby you can depend on me  
All that I need you are (need you are)  
No tellin' how far (echoed)  
Love can take us now  
Ain't no tellin'  
(I can't believe it, aaaah aaah)  
Ain't no lettin' it end (lettin' it end)  
Ooh...
