Cincinnati dancing pig  
He's the barnyard mister big  
Cincinnati dancing pig  
With his riggedy, jiggedy  
Jiggedy, jiggedy jig-a-jig-jig

Children yell and clap and sing  
When he does his buck and wing  
Cincinnati dancing pig  
With his riggedy, jiggedy  
Jiggedy, jiggedy jig-a-jig-jig

Dancing bears and kangaroos  
Have a lot on the ball  
But until you dig that remarkable pig  
You ain't seen nothin' at all

From Duluth to Birmingham  
He's the pork chop Dapper Dan  
He's the keenest ham what am  
Cincinnati dancing pig  
With his riggedy jiggedy jig-jig-jig
