We'll be close as pages in a book
My love and I
So close, we can share a single look
Share every sigh
So close that before I hear your laugh
My laugh breaks through
And when a tear starts to appear
My eyes grow misty too

*Our dreams won't come tumbling to the ground
We'll hold them fast
Darling, as the strongest book is found
We're bound to last
Your life is my life
And while life beats away in my heart
We'll be close as pages in a book
Never to part

(Rep from * to end)
