I know it's late too  
But I've really missed you  
I'd stand here through the night  
If it would change your mind  
You feel uncertain  
You reach for the curtain  
Ask me to check my watch  
And let you know the time  
I say

[Chorus]  
It's time to trust again  
Let me say  
It's not a moment too soon  
Honey, you must again  
I've been running away from it too  
But maybe it's time

You've come so far now  
But don't stop where you are now  
One step in my direction  
Might be all you need

[Chorus]  
It's time to trust again  
Let me say  
It's not a moment too soon  
Honey, you must again  
I've been running away from it too  
I just don't wanna see this  
Come to an end  
Please believe me, oooh

[Chorus]  
It's time to trust again  
Let me say  
It's not a moment too soon  
Honey, you must again  
I've been running away from it too  
But maybe it's time  
Maybe it's time
