More than the greatest love
The world has known
This is the love
I give to you alone

More than the simple words
I try to say
I only live to love you
More each day

More than you'll ever know
My heart has longed to hold you so
My life will be in your keeping
Waking, sleeping, laughing, weeping

Longer than always
Is a long, long time
But far beyond forever
You'll be mine

I know I've never lived before
And my heart is very sure
No one else could love you more

Oh, longer than always
Is a long, long time
But far beyond forever
You'll be mine

I know I've never lived before
And my heart is very sure
No one else could love you more

No more, no more
