The night is like a lovely tune  
Beware, my foolish heart  
How white, the ever constant moon  
Take care, my foolish heart

There's a line between love and fascination  
That's hard to see, on an evening such as this  
'Cause they both give the very same sensation  
When you're lost in the magic of a kiss

His lips, are much too close to mine  
Beware, my foolish heart  
But should our eager lips combine  
Then let the fire start

'Cause this time, it isn't fascination  
Or a dream that will fade and fall apart  
It's love this time, it's love my foolish heart  
My foolish heart

His lips, are much too close to mine  
Beware, my foolish heart  
But should our eager lips combine  
Then let the fire start

'Cause this time, it isn't fascination  
Or a dream that will fade and fall apart  
It's love this time, it's love my foolish heart  
It's love this time, it's love my foolish heart

My foolish heart  
My foolish heart  
My foolish heart
