Woman: Looking back in time  
I see what love was then  
Told myself I'd never  
Fall in love again

Vic: The memories of pain  
Are buried deep inside  
I never thought I could forget  
The tears I cried

[Chorus]

Duet: You brought me out of the rain  
And you gave my life new meaning  
I never could have made it alone  
Now my life is just beginning  
Like an ember burning hot from the start  
Your love is burning deep in my heart  
And I could never live a moment apart  
Babe, without you

Woman: Thinking of my life with you  
The love I see  
You gave a gift  
I thought no one could give to me

Vic: I can't believe I finally  
Found a love so strong  
That special feeling  
I've been waiting for so long

[Chorus][repeat]

Duet: You brought me out of the rain  
And you gave my life new meaning  
I never could have made it alone  
Now my life is just beginning  
Like an ember burning hot from the start  
Your love is burning deep in my heart  
And I could never live a moment apart  
Babe, without you

(Woman: I could never live)(Vic: Never live a moment)

Duet: Never live a moment  
Never live a moment apart  
Babe, without you (Oooo Oooo)  
Babe, without you
