Can't believe where I am  
When I think where I've been  
Lost in a world of a life that was lonely  
Without you then  
Holdin' on 'til the time  
Begging it to arrive  
Hoping tomorrow would find us together  
Kept me alive

[Chorus]  
Cause I knew you  
Were worth waiting for  
We'd soon have more  
Than all of my dreams  
And you  
Believed in this flame  
The thought of your name  
And all that's in store  
Was worth waiting for

I don't care what it takes  
Doesn't matter how far  
From the moment I met you I loved you  
I need to be where you are

[Chorus] [2 X]  
Cause I knew you  
Were worth waiting for  
We'd soon have more  
Than all of my dreams  
And you  
Believed in this flame  
The thought of your name  
And all that's in store  
Was worth waiting for

Worth waiting for  
There can't be more  
Than I'm feeling now  
And we are crazy that way  
And that's how we'll stay

The night's we've in store  
Were worth waiting for
