You're breaking my heart 'cause you're leaving  
You've fallen for somebody new  
It isn't too easy believing  
You'd leave after all we've been through

It's breaking my heart to remember  
The dreams we depended upon  
You're leaving a slow dying ember  
I'll miss you, my love, when you're gone

I wish you joy, though teardrops burn  
But if some day you should want to return  
Please hurry back and we'll make a new start  
Till, till then you're breaking my heart

[Foreign content]

I wish you joy, though teardrops burn  
But if some day you should want to return  
Please hurry back and we'll make a new start  
Till, till then you're breaking my heart
