This is not a love song  
this is not a love song

This is not a love song  
this is not a love song

This is not a love song  
I'm crossing over

This is not a love song  
this is not a love song

...

This is not a love song.  
Happy to have not to have not  
big business is very wise

Crossing over into enterprise  
this is not a love song.  
This is not a love song  
this is not a love song.  
Now I'm adaptable and I like my new role

I'm getting better and better  
I have a new goal

I'm changing my ways where money applies  
this is not a love song.  
This is not a love song  
this is not a love song.  
I'm going over to the other side  
I'm happy to have not to have not

Big business is very wise  
I'm inside free enterprise.  
This is not a love song  
this is not a love song

This is not a love song.  
Not television behind the curtain  
out of the cupboard  
Take the first train into the big world.

Are you ready to grab the candle  
that tunnel vision

Not television behind the curtain  
out of the cupboard.  
This is nbt a love song  
this is not a love song

This is not a love song  
this is not a love song

Happiness and sunshine  
this is not a love song  
no-no  
no-no  
no-no
