KISS ME GOODBYE

(L.Reed/B.Mason)

GARY PUCKETT AND THE UNION GAP

We choose it without music

Love is never quite the same

I love you now I've lost you

Don't feel bad you're not to late

So kiss me goodbye and I'll try not to cry

All the tears in the world won't change your mind

There's someone new and he's waiting for you

Soon your heart will be leaving me behind

Linger apart and I'll go with a smile

Like a friend who just happened to apart

Although last time pretend you are mine

My darling kiss me goodbye

I know now I must go now

Thought my heart tells me to stay

That guy means your tomorrow

I belong to yesterday

So kiss me goodbye and I'll try not to cry

All the tears in the world won't change your mind

There's someone new and he's waiting for you

Soon your heart will be leaving me behind

Linger apart and I'll go with a smile

Like a friend who just happened to apart

Although last time pretend you are mine

My darling kiss me goodbye

My darling kiss me goodbye
