OVER YOU

(Jerry Fuller)

GARY PUCKETT AND THE UNION GAP

Why all my losin' sleep over you

Real livin' precious moments with you

So many days had gone by

Still I'm so lonely and I

Guess this just no getting over you

And there's nothin' I can do

Wastin' all of my time all of my mind over you

Within the prison words of my mind

If still apart of you let behind

And tho' it hurts I'll get by

Without your lovin' yet I

Guess this just no getting over you

And there's nothin' I can do

Wastin' all of my time all of my mind over you

And I guess this just no getting over you

And there's nothin' I can do

Wastin' all of my time all of my mind over you ...
