WOMAN WOMAN

(J.Glaser/J.Payne)

GARY PUCKETT AND THE UNION GAP - 1968

Woman oh woman have you got cheating on your  
mind?

Something's wrong between us that your laughter  
cannot hide

And you're afraid to let your eyes meet mine

And lately when I love you, I know you're not satisfied

Woman oh woman have you got cheating on your  
mind?

I've seen the way men look at you when they think I  
don't see

And it hurts to have them think that you're that kind

But it's knowing that you're looking back that's really  
killing me

Woman oh woman have you got cheating on your  
mind?

A woman wears a certain look when she is on the move

And a man can always tell what's on her mind

I hate to have to say it but that look's all over you

Woman oh woman have you got cheating on your  
mind?

Woman oh woman have you got cheating on your mind
