"Drift And Die"

Forgotten thoughts of yesterdays
through my eyes I see the past
well I don't know I don't know I don't know why
I believe I believe I believe in the truth, from inside
go away go away go away from me
leave me alone
ignorance spreads lies
how much will money bye
well I'll take my time as I drift and die
unwanted live my life a shame
who's to blame for my mistakes
Chorus
as I drift and die (2x)
ignorance spreads lies
how much will money bye
well I'll take my time
as I drift and die (5x)
