Met a girl

Thought she was grand

Fell in love

Found out first hand

Went well for a week or two

Then it all came unglued

CHORUS:

In a trap

Trap I can't grip

Never thought I'd be the one who'd slip

Then I started to realize

I was living one big lie

She fuckin' hates me

Trust

She fuckin' hates me

La la la love

I tried too hard

And she tore my feelings like I had none

And ripped them away

She was queen for about an hour

After that, her shit got sour

She took all I ever had

No sign of guilt

No feeling of bad, no

CHORUS:

In a trap

Trap I can't grip

Never thought I'd be the one who'd slip

Then I started to realize

I was living one big lie

She fuckin' hates me

Trust

She fuckin' hates me

La la la love

I tried too hard

And she tore my feelings like I had none

And ripped them away

That's my story, as you see

learn my lesson, and so did she..

Now it's over and im gald !

"Cuz" im a fool for all i said

She fuckin' hates me, Trust

She fuckin' hates me

La la la love

I tried too hard

And she tore my feelings like I had none

And ripped them away

La la la la la la la la love, Trust

La la la la la la la la love, Trust (repet 2 times)

And she tore my feelings like I had none

she fukin' hates me !

(Ha, she fukin' hates me, I never got any action anyway
