God say pray cuz the devil don't pray  
You didn't know I was a witch did ya  
Voodoo it just might come true

[Mastamind]

This ain't ya same old story rags to riches  
Seems like I'm living in hell even though I got my wishes  
This is so serious I'll never get it twisted  
Make a visit to gothom city you're on the road with the wicked  
I love women but I still call 'em bitches  
Rtahr smoke this green leaf but I still smoke swishas  
Rather live in the hills but I'm in the hood  
So many people I would kill if I could  
Manic Mastamind with the rhyme thinking bout time  
Thinking bout how I'm gonna live and die with mine  
Say fuck 'em all  
Like my nigga E say, fuck the radio and the DJ  
So wicket nigga make you kneel and pray  
Oh my god there they go, here we come, they done came  
With a gang gothom niggas insane  
Be careful what U wish for

[Esham]

I'm sick of all these niggas make me think sick thoughts  
Conspiracy and murder ways not to get caught  
I'm thinkin suicide suicide is on my mind  
The U-N-H-O-L-Y takin a walk through time  
On the flatline  
I'm out my mind I write my rhymes in blood  
Kidnap your baby mama drag her through the mud  
I don't give a fuck about where you from  
Nigga I bust dum dum's at dum dum's  
I'm comin up your block to set up shop burn up your block right  
I'm from Detroit where niggas burn up shit on devil's night  
If you do not know me I don't give a fuck what

N-A-T-A-S blood's on my chest  
Forgive me for my sins but I'll have to kill again  
Some cracker commit suicide as soon as I begin  
No more will I let you know that the flow is critical  
Fuck the police, my shit's still political  
In this New World Order, it's a slaughter  
Be careful what you wish for
