Not many, if any, not many, if any

How many dudes you know who got the skills to go in  
and roarck a show like this?

Uh uh, uh uh, I don't know any body

How many dudes you know roll like this?

[Verse 1]

Check, check to tha mic check

A 1, 2 from a crew commin' through, are ya hyped yet?

Nowa days every body wanna talk, like they got  
something on scribe

Ya ain't got nothing but a moment alive

You can't front, when ya feellin' tha vibe

You know scribe is takin' you high (high)

Love it with the double bass, vibrate

Shook tha place, in ya vertebrate

Yo hit a man, move like a RS

Subaru, with a crew, come a equipped, like a body kit

Lyrically I burn quick

So one foot is in tha style, thought his tongue like a  
steel fish

This kid named X, from Vic, wanna get with scribe  
In live, like a 0-5, I got vibe, like a beehive  
And when the mother from the squid of a pimp, of the  
sea side  
And get yo on the way that we ride  
Round town in the down low, never know, what the flow,  
bro, chop chop  
cant stop Hip Hop, cause it don't stop  
Hmm check it out (Yes)  
check it out (No)  
check it out (What)  
check it out (Like me)

[Chorus]

[Verse 2]

Somthin' for the ride on cruise control  
When the bass vibrates, shook the hives like a  
earthquake  
Thought this is not good for yah, you made a great  
mistake  
Your eyes stop and bump be gone, sick of this, flick the  
switch  
Nitrous, kick wanna trip this is some new shit  
Real deal, like Cody field, you know telling if you rock  
like mike or just might  
Roarck Like double, drop, double drop tight  
T-Club get it on, represent all night  
Take flight, like Nike kicks with tricks and make quick  
When the vibe hit  
Don't sit just get on down and profound with the sound  
that we found  
with the underground  
Don't sit just get on down and profound with the sound  
that we found  
with the underground

[Chorus]

[Outro]

Next time you come on down to North Canterbury  
It's all good, it's all good when come down to my hood  
and come to  
South Canterbury  
it's all good uh uh, it's all good when you come down to  
my hood and  
come to East Canterbury

my hood and go  
to West Canterbury
