The world's alive tonight
But I've got it right
Flight time, international
Ban plage, thoughts sensational

Falling up, falling down
Painted blue, rules in town
Turn around, china crew
Taking off, water blue
Can't you see
Can't you see

Airline, pour me the vodka
Help me in my emergency
6, 10, plateau sur le pass
Touch down, among my predators

Falling up, falling down
Painted blue, rules in town
Turn around, china crew
Taking off, water blue
Can't you see
Can't you see

Falling up, falling down
Painted blue, rules in town
Turn around, china crew
Taking off, water blue
Can't you see
Can't you see

Can't you see
Can't you see
