[Lyrics: Morgan Thorn, Geoff Thorpe]

I've been beaten down, turned inside out
Pounded through the wall
Had my share of scars, cherish them all
Speeding down my own road, headlights to the sky
No remorse and no regrets
That's the way I'll die...
I'm the last of my kind
I've been born again hard
I've seen sanctity slaughtered
And watched my comrades fall...
The price for a piece of mind gets higher every day
I'll pay that toll, charge what you will
And through it all, you know you get what you deserve
In the end, boy, remember what you've learned...
Now you're born again, born again, Born Again Hard!
Rise from your ruin
Now you're born again, born again, Born Again Hard!
I'm the last of my kind, the last in line
I've been born again hard, born again hard
I've seen sanctity slaughtered
And I've watched my comrades fall
You know I've seen them fall...
We're the last of our kind
We've been born again hard, born again hard
We've seen sanctity slaughtered
And watched our comrades fall...
