You shake my nerves and you rattle my brains
Too much a-love drives a girl insane
You broke my will, but what a thrill

Goodness, gracious, great balls of fire

I asked for love, but I thought it was fine
You came along and moved me honey
I changed my mind, this one's fine

Goodness, gracious, great balls of fire

Kiss me baby, ooo, feels good
Hold me baby, well I want to love you like a lover should

You fine, so kind, but tell this world that you mine mine
mine mine

I chew my nails and I twiddle my thumbs
Hun they won't love us, but it sure is fun
Come on baby, you drive me crazy

Goodness, gracious, great balls of fire

Kiss me baby, ooo, feels good
Hold me baby, well I want to love you like a lover should

You fine, so kind, but tell this world that you mine mine
mine mine

I chew my nails and I twiddle my thumbs
Hun they won't love us, but it sure is fun
Come on baby, you drive me crazy

Goodness, gracious, great balls of fire
