Chorus (mystikal & insane): repeat 2x

[insane] guns murder niggas at night...  
[mystikal] man, niggas even kill niggas at night  
[insane] cops murder niggas at night...  
[mystikal] I'll be fucked if I'm gonna let them bitches  
murder mine!!!

[mystikal]  
Motherfuckin murderer....shot my fuckin brother  
But when I find him, I'm gone get that motherfucker!  
He playin the role of one them niggas that's always  
talkin noise  
Runnin inside, talkin that shit, front of his fuckin boys  
Fuck that, I'm lockin that bolt back  
Loadin that gat, here that glock come, [gunshot]  
Out'cha fuckin' head... standin on the corner  
I'm peepin on ya, so I can creep up on ya!!!!  
Calmin my nerves, get rid of these punks and stick em  
in my mind  
You want it? fine, I done reached for that nine  
I'm gone do you in  
I'm tellin ya bitch you gone have to get up quick  
And hit the bricks before I do you in  
Two of your boys spied me comin  
Them coward-hearted niggas started runnin  
But not you though, you gots to play the hard role  
Stop playin it up like a bone, bitch I know you are  
Talkin head gonna put you on your deathbed  
Just 'cause you got a gat, that's just why you actin  
brave  
Got a gat I got a glock, what'cha gone do?  
Handle your business, don't let your business handle  
you!

Chorus

[mystikal]  
Pull your shirt down bitch  
I know you got a gat, but I ain't scared bout that bullshit  
It don't matter how many fuckin guns you got

The only thing that matter, is a nigga, to get the first  
shot  
'cause if I peep, that ass is fallin to the street  
Bitch retreat or that ass is deeeeeead meat  
Smack your teeth, but i'ma knock you off your fuckin  
feet  
They gone pick you up, piece-by-piece off that concrete  
street  
When n.o. meet, who gives a fuck about a poor neat  
scene?  
We got beef, so i'ma shoot'cha like a fake bitch  
Let you know just who you fuckin' with  
But I ain't that type of nigga  
That's liable to shoot you over no dumb shit!  
If i'ma pop ya, i'ma pop ya for just cause  
You talk too much shit plus, you popped one of my boys  
Gankin niggas I'm gettin downright scandalous!!!!  
[gunfire] you can't handle this!!!!  
So when you're out bitch, move or I won't step  
'cause if I catch'cha i'ma drill ya in your fuckin chest  
I ain't gone gone ride by and pop, cause I might miss  
I'ma walk up to your face, pop point blank bitch!!!  
That's what you get, from out there tryin to go act bad  
Not even bruce lee, could whoop a bullet ass  
Got'cha, come, get this ass whoopin  
If you bringing them niggas with ya, that's nothin  
I'm poppin' the clip in  
Nigga fetcher, satisfied when you're on the stretcher  
You might run but i'ma catch 'em!!!!

Chorus

[mystikal]  
(yo nigga you caught that bitch yet? )  
Fuck no! I ain't caught that bitch yet  
I done been through every scandalous sight, and every  
project  
But I bet'cha, when I stop, runnin behind em  
Get up, pack my shit and I'll stop, and then I'll fuckin  
find him  
Yo dumb ass in the street  
Fuck that shit, 'cause i'ma catch your ass this week  
Monday, a one day when you go play [alot of gunfire],  
goes the a.k.  
Sprayin on his ass like a roach, and if I approach, too  
late to duck hoe  
Drop, run, fall, kick, scream, now curse  
How in the fuck you gone duck a twelve round burst?  
Hammin at that ass on tuesday, put up the nine  
Go get the a.k.  
Bitch if I catch you in the mall wednesday

That's the day that ass fall  
Then it might be thursday, three round burst day  
The day I'm blood thirsty  
Fuck that, wait til friday, payday!!!!  
Shoot'cha in your face and take your money, j  
Now wait til the weekend, heh, yeah  
Saturday, that's the day you go creepin  
But you better be watchin your back 'cause I'm sneakin  
[door noise]  
Waitin for my chance to do your ass in  
I don't give a fuck if it's on sunday  
God gone have to forgive me, 'cause i'ma shoot'cha in  
your head nigga

Chorus
