"Spooky"

In the cool of the evening
When everything is getting kind of groovy
I call you up
And ask you if you'd like to go with me and see a movie
First you say no, you've got some plans for the night
And then you stop and say all right

Love is kinda crazy with a spooky little boy like you

You always keep me guessing
And I never seem to know what you are thinking
And if a girl looks at you
It's for sure you little eye will be a-winking
I get confused cause I don't know where I stand
But then you smile, and hold my hand

Love is kinda crazy with a spooky little boy like you

Maybe someday you decide to stop these games that
you've been playing
I gonna tell you all the things my heart's been dying to
be saying
Just like a ghost, you've been a-haunting my dreams
So propose, on Halloween

Love is kinda crazy with a spooky little boy like you
Love is kinda crazy with a spooky little boy like you

Spooky, Spooky
