Baby  
I know I can see what you like  
As your standing by the dance floor  
Baby  
You've got something that you need to find  
I can feel it that you want more

Take your body over to the floor  
It's much too soon to hit the door  
Stop  
Let's make it tonight  
Don't fake it  
There's no need to analyze  
Now's the time to recognize  
Go  
And jump in the light  
Invade it

Dance  
Let the music take you over  
Dance  
Let the beat become your lover  
Dance  
You can't stop it baby it's your life  
Woah woah

Dance  
Da-a-a-a-ance (everybody just dance tonight)

Dance  
Da-a-a-a-ance (oh)

Lately  
You've been searching for the other side  
There's a feeling to discover  
Baby  
You can feel it in the air tonight  
Let the groove just take you over

Take your body over to the floor  
It's much too soon to hit the door

Stop  
Let's make it tonight  
Don't fake it  
There's no need to analyze  
Now's the time to recognise  
Go  
And jump in the light  
Invade it

Dance  
Let the music take you over  
Dance  
Let the beat become your lover  
Dance  
You can't stop it baby it's your life  
Woah woah

Dance  
Let the music take you over  
Dance  
Let the beat become your lover  
Dance  
You can't stop it baby it's your life  
Woah woah

Dance  
Da-a-a-a-a-ance

Dance  
Da-a-a-a-a-ance (yeah yeah)

Dance  
Da-a-a-a-a-ance (oh dance)

Everybody just dance

I've been thinking  
It's time to discover  
A new religion  
From one to another

Da-da-dance  
Let the music take you over  
Dance  
Let the beat become your lover  
Dance  
You can't stop it baby it's your life  
Woah woah

Dance  
Let the music take you over

Dance  
Let the beat become your lover  
Dance  
You can't stop it baby it's your life  
Woah woah

Dance
