In the years to come  
Will you think about these moments that we shared  
In the years to come  
Are you gonna think it over  
And how we lived each day with no regrets  
Nothing lasts forever though we want it to  
The road ahead holds different dreams for me and  
you

[chorus]

Sometimes goodbye though it hurts in your heart is the  
only way for destiny  
Sometimes goodbye though it hurts is the only way now  
for you and me  
Though it's the hardest thing to say  
I'll miss your love in every way  
So say goodbye  
But don't you cry  
Because a true love never dies

In a year from now  
Maybe there'll be things we'll wish we'd never said  
In a year from now  
Maybe we'll see each other, standing on the same  
street corner though it rains  
Each and every end is always written in the stars  
If only i could stop the World i'd make this last

[Chorus]

Sometimes goodbye though it hurts in your heart is the  
only way for destiny  
Sometimes goodbye though it hurts is the only way now  
for you and me  
Though it's the hardest thing to say  
I'll miss your love in every way  
So say goodbye  
But don't you cry  
Because a true love never dies

And when you need my arms to run into  
I'll come for you

Nothing will ever change the way i feel

[Chorus]

Sometimes goodbye though it hurts in your heart is the  
only way for destiny

Sometimes goodbye though it hurts is the only way now  
for you and me

Though it's the hardest thing to say

I'll miss your love in every way

So say goodbye

Because a true love never dies
