On a mountain road of stone  
Preachers cry out all alone  
Body in their blood runs thin  
All the time he's cashing in  
Long hours under the sun  
Nothing left for anyone but him, oh no  
Full power  
Never enough  
Sneak off  
We're calling your bluff  
Condemned forever  
The quest to stay alive  
Condemned forever  
The one you have survived  
Oh, the whole world laughs inside  
All the country left to die  
Men of the living dead  
Don't believe a word he said  
Long hours under the sun  
Nothing left for anyone but him, oh no  
Full power  
Never enough  
Stand up  
And call your bluff  
Condemned forever  
The quest to stay alive  
Condemned forever  
The one who has survived  
Condemned forever  
What do you do nights  
Condemned forever  
Freedom is in sight  
Yeah  
Even in all his feeling high  
He makes his way  
Wanted knight  
He only wants to wind up free  
Oh, to hell with those miseries, oh yeah  
Condemned forever  
The quest to stay alive  
Condemned forever  
The one who has survived

Condemned forever  
What do you do nights  
Condemned forever  
Freedom is in sight
