It's time we had a talk
Let's get something straight
No, it won't take long
But it's getting very late

Don't put me off
You know I'll cut you down
Oh, that's right

All night long
Doin' what we've got to do
Well, so long
But you know, I'm comin' after you

No, don't wait for me
Don't you wait for me
Don't, don't, don't wait for me
'Cause I'll be on your tail

Don't, don't wait for me
Don't you wait for me, no no

I've been down many times before
I've been around, seen it all and maybe more
But now I'm up and gettin' higher, yeah
Let's break the chains, that's right

All night long
Doin' what we've got to do, yeah
Well, so long
Oh, but you know, I'm comin' after you

Don't wait for me
Don't you wait for me
Don't, don't, don't wait for me
'Cause I'll be fuckin' on your tail

Don't, don't wait for me
Don't you wait for me, no no
Don't you wait for me, no no

All night long

Doin' what we've got to do, yeah
Well, so long
But you know, I'm comin' after you
